THE CHAIRMAN HAS THE FLOOR

Billund Tennis Club held its Annual General Meeting on February 27, 2025. Yes, it's already been a year since I took over as chairman after Folmer Mikkelsen decided to step down last year.

There have been many things to learn – especially administrative tasks, such as various reports to the municipality, etc. I would like to extend a VERY BIG THANK YOU to Folmer for assisting me with these tasks. Also, a BIG THANK YOU to the rest of the board for the support I have felt from them.

A BIG THANK YOU also goes to Erik Enggaard for taking on the role of the club's auditor.

As usual, we held our Annual General Meeting, and in connection with that, we also welcomed two new faces: Raluca Lucacel and Felipe Delgado, who have now been elected to the board. This has led to a small reshuffle, as Folmer Mikkelsen now takes on the role of substitute instead of being a board member, as he was before. However, he does not hold the substitute role alone, as he now shares it with Bent Christensen, who has kindly agreed to lead the work with our sponsors.

Also, a thank you to Hans Henning for taking on the role of chairman at the AGM.

Election of Chairman

The chairman was not up for election.

Election of Other Board Members

The following were up for election: Carina Wegge Theider, Alex Diego Aguilar, Stephen Powell, and Sebastian Jespersen, all of whom were re-elected.

Election of Substitutes

Substitutes: Folmer Mikkelsen and Bent Christensen were elected as substitutes.

Election of Auditor

Erik Enggaard was re-elected as auditor.

Prior to our AGM, the board received a number of proposals. Some of them you will soon see being implemented, others will take a little longer, and some we are still working on. The proposals came from Manuel Rodriguez, who, on that occasion, also volunteered to assist with the proposed initiatives. I greatly appreciate this.

THE CHAIRMAN HAS THE FLOOR

Presentation of the Audited Accounts

Revenue increased from 212,728 DKK in 2023 to 215,964 DKK in 2024, while our expenses also increased from 185,070 DKK in 2023 to 216,034 DKK.

Thus, we end the 2024 season with a very small deficit of 69.00 DKK. Our equity remains almost unchanged at 316,764.30 DKK. The electricity cost actually doubled, from 2,866.45 DKK in 2023 to 5,491.73 DKK in 2024.

The accounts were approved by the AGM.

Overall, the 2024 season ended with 155 members – a small increase of 5 from the previous year.

However, we saw a significant rise in junior memberships, which accounted for 45 members.

We can definitely stand tall and be proud of that!

In this regard, I would also like to extend a HUGE THANK YOU to the entire coaching team – this includes all the junior and adult teams – you are all doing a great job: Without you, it would simply be impossible!

As a new initiative this year, you will also see the coaches wearing our new club attire.

On March 22, we had the Court Preparation Day. A total of 10 people showed up, and it went very well – we put fresh gravel on all five courts, and they were even rolled. All in all, a great effort, for which I also want to express a BIG THANK YOU. Without courts, we have no game!!!

Finally, I would also like to extend a HUGE THANK YOU to all our sponsors – support them when you have the opportunity, as they support our club.

Billund Tennis Club is also a well-established club moving forward, but we would really like to increase our membership. In terms of court capacity, we have plenty of room. So, dear member: You are the best ambassador for the club. Do you know someone – or several people – who would like to try playing tennis? Bring them to the club and play with them once or twice. Feel free to tell them about Tennis Sports Day on Saturday, May 3rd. A "Beginner's Introduction" might be something for them, and we would be more than happy to give them a taste of our wonderful sport.

Imagine where we could go if just half of our current members succeeded in signing up a new member each.

If you would like to help the club as a coach, board member, or in any other way, feel free to contact the chairman.

THE CHAIRMAN HAS THE FLOOR

We once again need your help this year. There are sensors on both doors, which check at exactly 22:00 if the doors are closed. If not, an SMS is sent to one of the board members, who must then go to the clubhouse and close the door. Last year, it actually happened several times that someone had left the sliding door open. We still hope that all our good members will help us by closing both doors when leaving the clubhouse. Close the door, no matter when you leave – maybe no one else will come that day.

If you have any suggestions for improvements, please feel free to share them. We should all work together to make the club better.

Finally, we have created a vision and a set of values for the club – you can read them just to the right of the door into the clubhouse. I would encourage everyone to give it some thought and ask yourself: "How can I contribute to the club?"

All training opportunities are now listed on the club's website under "Events," so I won't list them here. However, I can confidently promise that there is something for everyone – regardless of age and skill level.

Lastly, I just want to say that I am really looking forward to another new season in our club.

Morten Theider
Chairman

COACHING AND TRAINING IN BILLUND

If you accept one of our many offers for coaching/training in Billund Tennisklub, you will get coaching according to the principles in 'Play and Stay'. This means that when you start, you play with soft balls on a small court.

Gradually when you learn the technique and improve your game, you get to play with harder balls on a larger court. If you already know the technique, you will of course not have to play with soft balls for a very long time. This way of learning tennis makes it possible for everybody to learn the game correctly from the beginning, which is very important when you want to enjoy the game.

Adult Introduction - Beginners

This course is for players, who have not played before or who have only played a little.

The club supplies balls and racquets.

For only DKK 400 you get a basic package:

- 6 hours of coaching: 7th, 21st and 28th May, and 4th June from 6.30 to 8.00 p.m.
- Learn the rules
- Get the opportunity to play matches
- Get to keep the racket, if you join the club as a member after the course.

Be there in sports clothes – then we will take care of the rest.

Registration at **www.billundtennisklub.dk**,

Select: Event =>, Voksenintroduktion, where you create a profile by entering your name, address, cell phone no., date of birth, and email, and finally create a password and a username.
